Dear Keith,

Having just recently learned about your insightful film, *Chromosomally Enhanced, What's your Super Power?*, I saw that several of the stories you are featuring in this inspirational educational film feature Novi residents as well as Novi Police and Novi High School. I was touched, as I am sure so many will be on the positive messaging that is part of the story about those who live and thrive with Down syndrome.

As you aware, we are the leading theatre entertainment in Michigan with one of our largest most prestigious theatres based in Novi. Therefore, I would like to offer our 250-seat Super Emax auditorium for your community leader media premiere event this coming fall when the film is complete.

Until then, good luck with the rest of the production.

Sincerely,

EMAGINE ENTERTAINMENT, INC.
